WHY SPONSOR?

WHAT DO YOU GET IN RETURN AS A SPONSOR

- BRAND AWARENESS

Hackference aims to get onboard attendees from multiple cities across the country and from a diverse range of domains they work/contribute to. This will give brands an opportunity to showcase their products and market materials accordingly.

- COMMUNITY OUTREACH

It's time to give back to the community and thank them for their contribution by aligning your brand towards a cause or mission that your customers are passionate about.

- HIRE THE BEST FROM THE INDUSTRY

Hackference will be having onboard a wide range of contributors of Open Source in one place from Code to Design to Business. This will be a good place for the Hiring Companies to pick.

- BUSINESS OPPORTUNITY

Networking draws the scratch draft of big businesses today. From Developers to Investors, Hackference will be the go-to-place for people in the industry to build solutions for today and tomorrow.

BEHIND THE SPONSORSHIP

Hackference is a free event, therefore, all funds accumulated for Hackference India go towards Event Logistics which includes manufacturing of T-shirts, Stickers, Badges, and Collaterals. We will also be providing food for the 2-days to all attendees and volunteers at the event. The transportation and lodging expenses will also be covered for the Volunteers/Organizers and the underprivileged sectioned attendees from the rural parts of India.
